

Amberjack House Useful Info

Trash Collection: The trash is picked up several times weekly. Just put the trash in the trash can at the end of the driveway.

Wireless Network: The wireless network is 'Amberjack' and the password is 'house123'.

House Website: There is a ton of useful info about the island in the FAQ section of our house website at www.amberjackhouse.com.

Groceries: The Food Fair on 18th street is the main grocery store on the island. Just a heads up that they start to run low on things like milk and produce on Tuesday and the shelves are restocked on Thursday. The best days to load up on groceries are Friday and Saturday.

Water Cooler Refill: If the water cooler needs refilled, call 242-333-4704 and they will deliver a new jug for \$5. Just leave the empty jug by the back door with \$5.

House Phone: The house phone can make local calls only. The house phone number is 242-699-5650. It can receive long distance calls.

Check-Out: Check out is 11:00 AM. Before you leave, if you could tidy up a bit and run the dishwasher, that would be great. Thanks! If you are flying out of ELH, we recommend you leave the house 2.5 hours prior to your flight's departure.

House Issues or Questions: If you run into any problems while you are here, please contact our house manager, **Andre Sands**, at 242-557-7617 or at andre@harboursidebahamas.com

Enjoy your stay! Thanks!
